

MAKE THE MOST OUT OF YOUR
PREPINSTA CERTIFICATES

CONGRATULATIONS ON GETTING YOUR **NANODEGREE CERTIFICATION!**

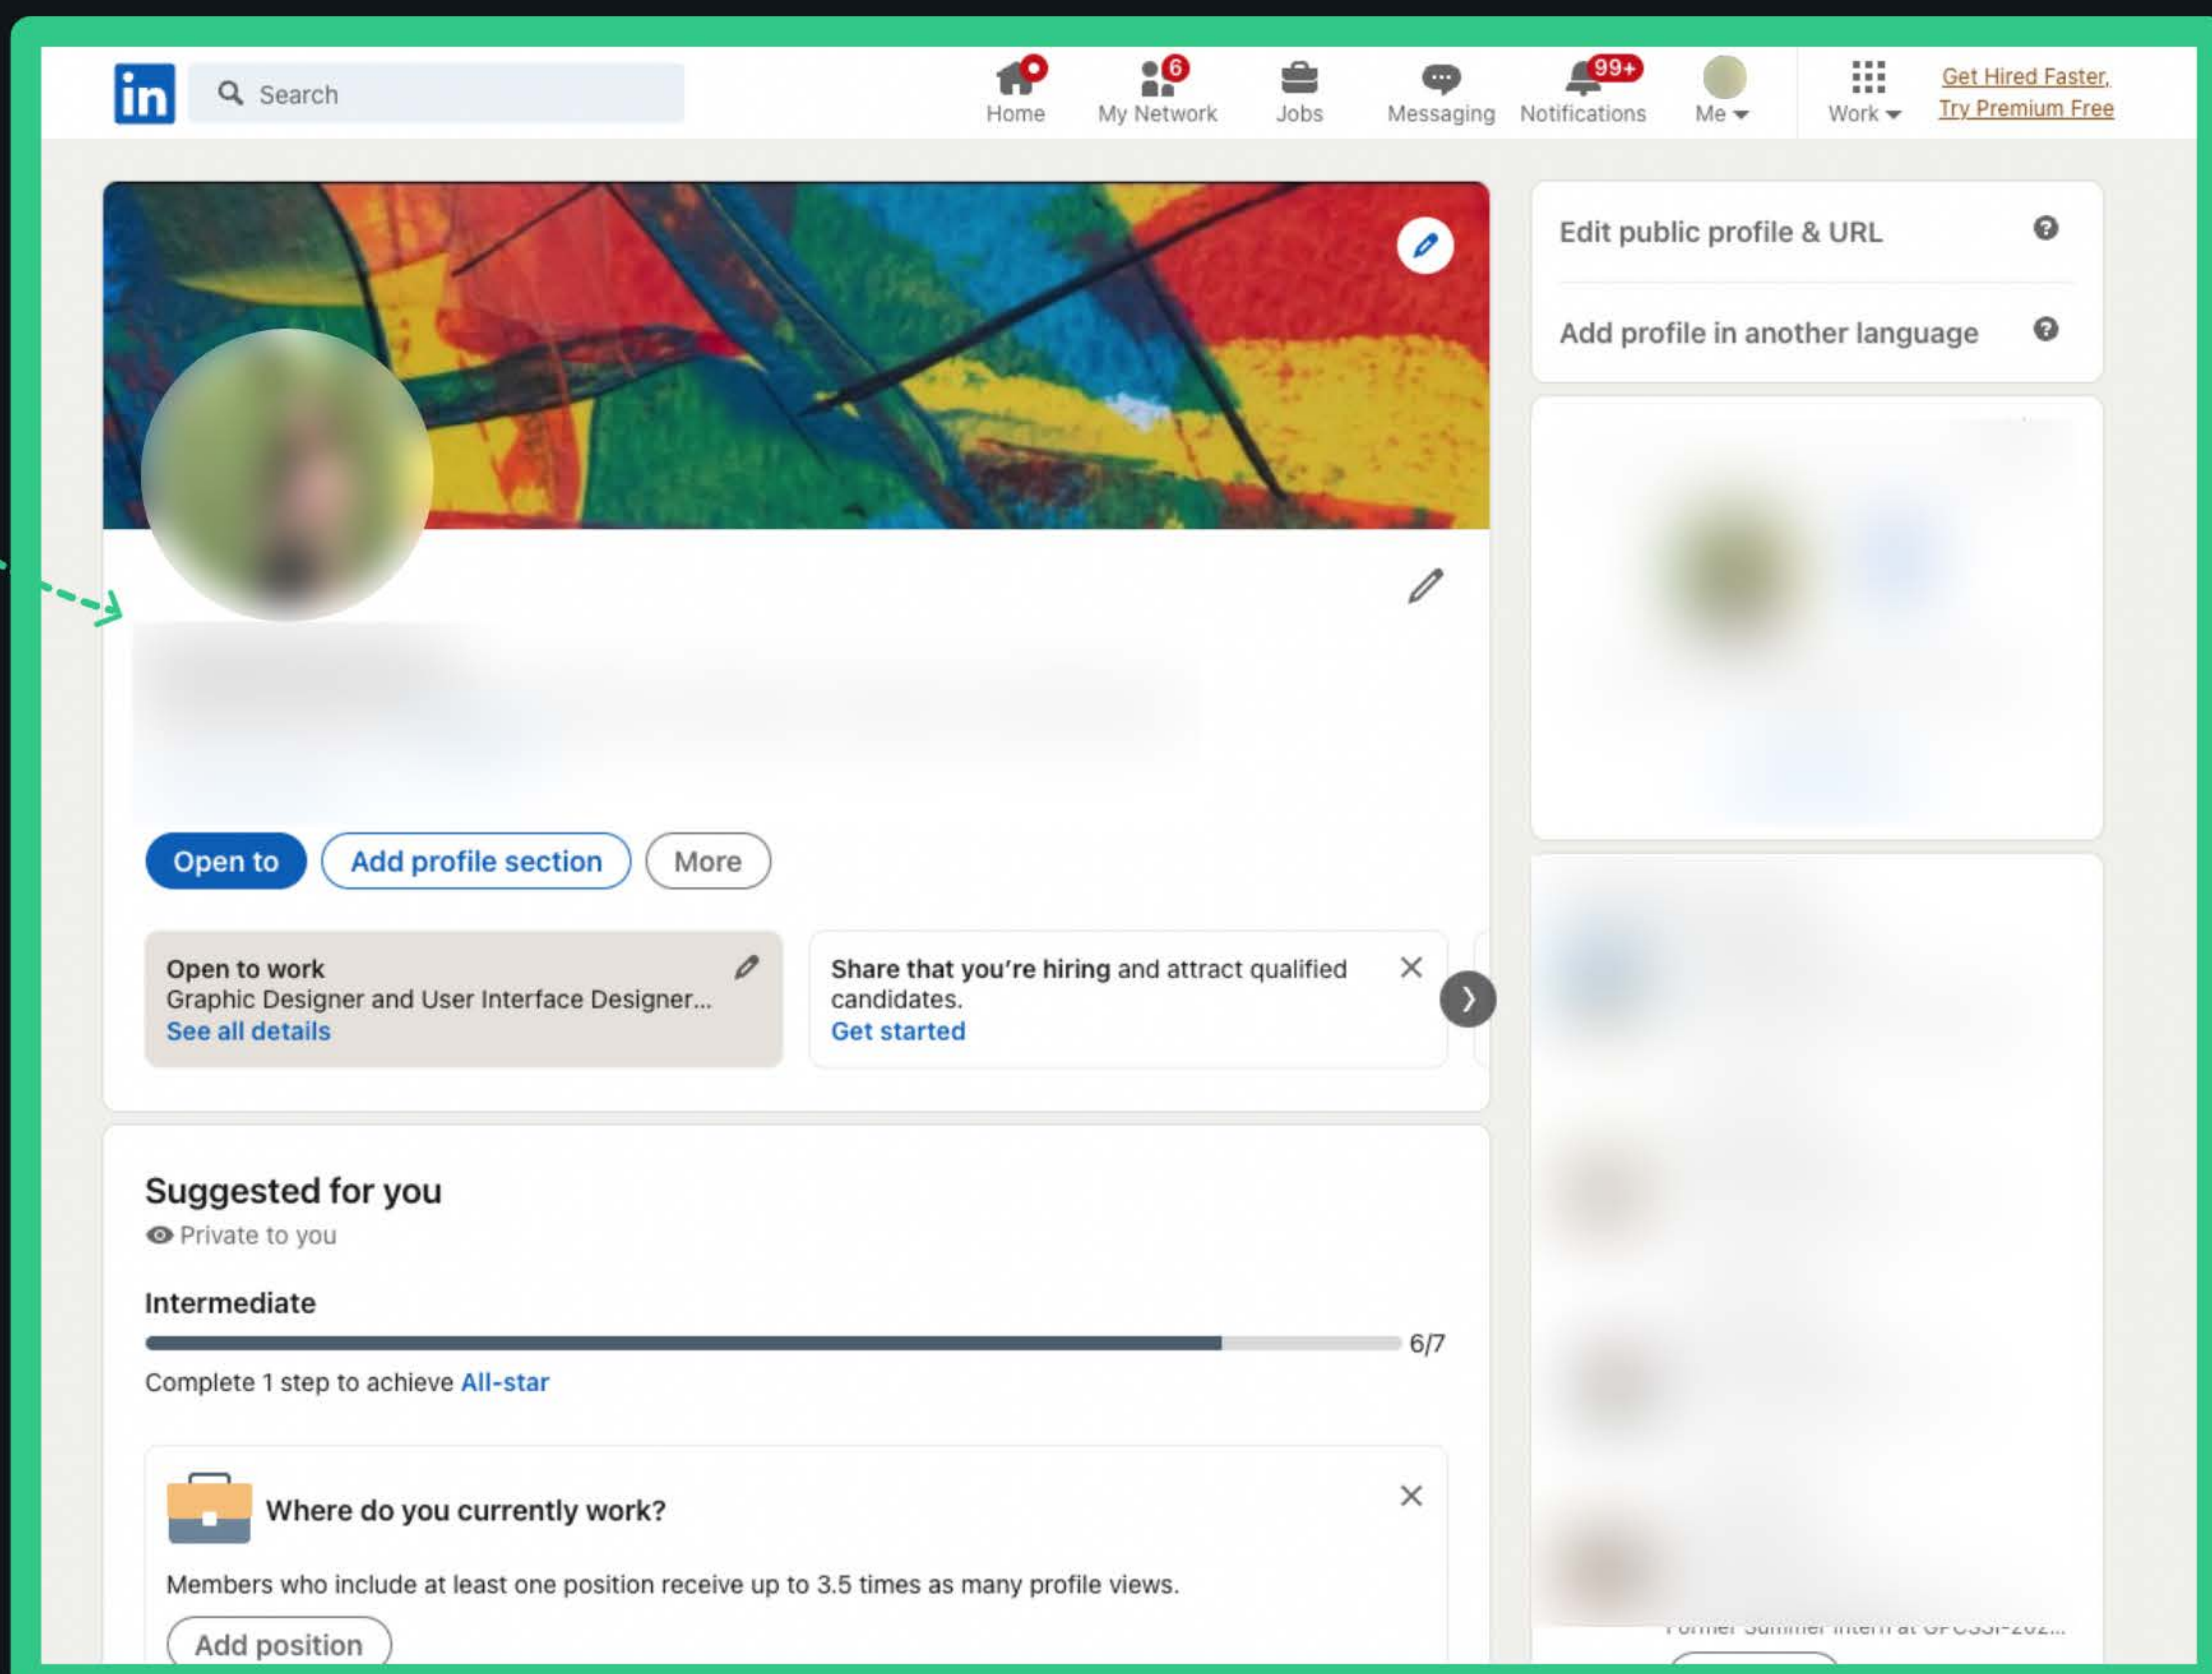

We want you to reach new heights with this **Nano-Degree** and there's one simple way of doing so - upload your certificate on **LinkedIn** to get approached by possible recruiters.

Let us tell you how you can do that-

1. How to Post your Certificate

Step 1

Go to your LinkedIn Profile

Step 2

Motivate your friends and let them know you completed your Nano-Degree certification from Preplnsta by **uploading it on your Profile and tagging @preplnsta & @Atulya Sir**.

Create a post

Got my Nano-degree Certificate for Python today which is now added to my LinkedIn profile too.

Thanks to **Preplnsta** and **Atulya Kaushik Sir** for providing me with platform where I was able to study and acquire certification as well.

Certificate of Graduation

Awarded to

Aditya Mohan

For Successful Completion of

Python Nano Degree Course

from Preplnsta Technologies PVT. LTD, the course completion Certification was issued on 28 October, 2021

Aashay Mishra
Co-Founder, Director - Academics

Step 4

Add 'PrepInsta Prime Subscriber' at PrepInsta as your **Work Experience**. This will help you with the referrals to companies.

3. How Recruiters will reach out to you

This will let all the **possible recruiters** know that you're also eligible for ML/AI profiles or for the profile in which you've completed your Nano-Degree.

- We have many more Certifications and Nano-Degree Courses for you, complete them from your **Prime Subscription** and make sure of your placement now.
- Don't forget to **upload** and list all your skills and certifications on your **LinkedIn Profile**.
- It will **highlight you** among your peers and will reflect as a record of your learning experiences as well.
